1. PREAMBLE

It is the need of the hour to work in collaborations to achieve and maintain the education and Research standards in any institute. The individual academicians from other colleges and constituent college should join their hands in academics and research. This helps to increase the academic standards, student quality. This helps in tackling particularly the local problems and work together for sustainable development of the area. With the advent of printing technology millions of pages information in published per annum. Due to the information explosion it is quite impossible for every to fulfill the information needs of its users. Inter library loan may proves useful to fulfill the user needs.

LIBRARY
